NOTE FOR: Fred Demech
Deputy Executive Director, PFIAB

FROM: Executive Assistant/Executive
Director

SUBJECT: Mr. Weiss' Interest in Military
Assistance to Peru

As a follow-up to the 12 May PFIAB session, John McMahon would like to provide the attached material on U.S. military assistance to Peru to Sy Weiss. Mr. Weiss should be aware that the U.S. Ambassador in Peru is promoting this program as an instrument for weaning the Peruvians away from the Soviet Union. Given the current Falkland Islands situation, however, this now appears unlikely.
